

INFORMATION SHEET

LUTAN F

IMPORTANT NOTE: *Lutan F is sold solely for use by industrial institutions.*

Use with local exhaust to control dusting. Wear an approved dust respirator, chemical goggles or side shield safety glasses, gloves, coveralls, apron, boots, and other protective clothing as necessary to prevent contact with the skin.

CAUTION

Contact with eyes or skin may result in moderate irritation. Ingestion may result in gastric disturbances. Inhalation of dusts may irritate the mucous membranes.

FIRST AID

- Eyes Immediately wash eyes with running water for 15 minutes. If irritation develops, get medical attention immediately.
- Skin Wash affected areas with soap and running water. Remove and launder contaminated clothing before reuse. If irritation develops, get medical attention immediately.
- Ingestion If swallowed, dilute with water and immediately induce vomiting by sticking finger down the victim's throat. Never give fluids or induce vomiting if the victim is unconscious or having convulsions. Get immediate medical attention.
- Inhalation Move to fresh air. Aid in breathing if necessary, and get immediate medical attention.

IN CASE OF FIRE

Use a water fog foam, CO₂, or dry chemical extinguishing media. Fire fighters should be equipped with self contained breathing apparatus and turnout gear.

EMPTY CONTAINERS

All labeled precautions must be observed when handling, storing, and transporting empty containers due to product residue. Do not re-use this container unless it is professionally cleaned and reconditioned.

DISPOSAL

Spilled material, unused contents, and empty containers must be disposed of in accordance with local, state and federal regulations. Refer to our Material Safety Data Sheet for specific disposal instructions.

IN CASE OF CHEMICAL EMERGENCY

Call **CHEMTREC (1-800-424-8300)**, day or night, for assistance and information concerning spilled material, fire, exposure, and other chemical accidents.

Refer to our Technical Bulletin and Material Safety Data Sheet regarding safety, usage, applications, hazards, procedures and disposal of this product. Consult your supervisor for additional information.
